Fearlessly Stepping Toward Justice

Our Mission:
Immigrant Defenders Law Center (ImmDef) is a next-generation social justice law firm that defends our immigrant communities against injustices in the immigration system. We envision a future where no immigrant is forced to face an unjust immigration system alone.

No Immigrant Stands Alone.
Our programs are a first step towards the long-term goal of providing universal representation to all immigrants facing deportation. ImmDef is the largest non-profit, pro bono provider of deportation defense in Southern California with offices in Los Angeles, Adelanto, Riverside, Santa Ana, and San Diego.

An exciting evening led by Southern California's largest deportation defense nonprofit organization honoring changemakers in the fight for immigrant justice and featuring special guests, local leaders, and community representatives. Join us for a night out for a good cause to celebrate the victories won and recommit to taking on the challenges ahead together! This evening will celebrate our successes, honor those who were central to our work, and build community with our supporters. Dinner, drinks, live music, and more! All ticket sales, auction revenue, and sponsorship funds will provide free deportation defense and legal education for Southern California immigrants and asylum seekers at our border.
