---	----------------------------

15 Plaintiffs,

16 v.

17 U.S. DEPARTMENT OF 18 HOMELAND SECURITY, et al.,
--

19 Defendants.

20
 21 **DECLARATION OF JALLYN SUALOG,**
 22 **DEPUTY DIRECTOR, OFFICE OF REFUGEE RESETTLEMENT**

23 I, Jallyn Sualog, declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, that my
 24 testimony below is true and correct:

25 1. I am the Deputy Director of the Office of Refugee Resettlement (“ORR”), an Office
 26 within the Administration for Children and Families (“ACF”), U.S. Department of Health and Human
 27 Services (“HHS”).
 28

1 2. I have held the position of Deputy Director since June 2018. I was previously the
2 Director of Children’s Services from September 2013 through June 2018. I have worked at ORR since
3 February 2007. I have a Master’s of Arts in Clinical Psychology. Before joining ORR, I worked as a
4 mental health professional and managed the child welfare and social services programs for Hawaii’s
5 largest non-profit organization.

6
7 3. As the Deputy Director of ORR, I have responsibility for oversight of the
8 Unaccompanied Alien Children (“UAC”) program, including all aspects of operations, planning and
9 logistics, medical services, and monitoring. My job duties include the formulation and implementation
10 of ORR’s response to coronavirus disease 2019 (COVID-19) across its network of grantee care-
11 provider facilities. In the course of performing my duties, I have gained personal knowledge of the
12 policies ORR implements with respect to the Migrant Protection Protocols (“MPP”).

13
14 4. My testimony in this declaration is based upon this personal knowledge, and information
15 obtained from records and systems maintained by ORR in the regular course of performing my job
16 duties.

17 5. I am testifying in this declaration to the best of my knowledge, and understand that this
18 declaration is for use in the Government’s response to Plaintiffs’ motion for preliminary injunction in
19 *Immigration Defenders Law Center, et al. v. U.S. Dep’t of Homeland Security et al.*, No. 2:21-cv-
20 00395-FMO-RAOx (C.D. Cal.).

21
22 6. On April 24, 2020, the *Flores* Court ruled that unless enforcement of an MPP-removal
23 order is “imminent,” ORR cannot unreasonably delay release of MPP-UAC.

24 7. On December 4, 2020, the *Flores* Court ordered Defendants to file interim compliance
25 reports from Ms. Deane Dougherty, the Juvenile Coordinator for U.S. Immigration and Customs
26 Enforcement (“ICE”), Ms. Aurora Miranda-Maese, the Juvenile Coordinator for the U.S. Department of
27
28

1 Health and Human Services, Office of Refugee Resettlement (“ORR”), and Mr. Henry Moak, the
2 Juvenile Coordinator for U.S. Customs and Border Protection (“CBP”), beginning on January 15, 2021.

3 8. To my knowledge, since the Court issued its orders, there have not been any cases where
4 ORR delayed release of an MPP-UAC due to an imminent or unexecuted removal order. *See, e.g.*,
5 Juvenile Coordinator reports, *Flores et al. v. Garland et al.* 85-CV-04544-DMG-AGR (C.D. Ca.), ECF
6 No. 1060-1, at p. 21 (“As of January 12, 2021, there were 35 minors in ORR custody who were
7 identified as previously enrolled in MPP. Four of those minors were released by the time this report was
8 written. Currently, there are 18 minors who are engaged in the family reunification process, but it is not
9 complete. The remaining 13 minors are residing in Long Term Foster Care (LTFC). **The Juvenile
10 Coordinator did not identify any cases from the reporting period where a minor enrolled in MPP
11 received a removal order and were denied release based on that order.**”) (emphasis added); ECF
12 No. 1084, at p. 37 (“As of February 22, 2021, there were 23 minors in ORR custody that were
13 identified as MPP cases. Currently, there are eight (8) minors who are engaged in the family
14 reunification process, but it is not complete. The remaining minors are Category 4, with 14 of these
15 minors placed in Long Term Foster Care (LTFC) and one minor in a shelter. The Juvenile Coordinator
16 did not identify any cases from the reporting period where an MPP removal order was a sole basis for a
17 minor’s non-release.”); *see also Id.*, ECF No. 932-2, at p. 9 (“As of August 18, 2020, there were 29
18 minors identified by ORR as MPP cases. Out of the 29 minors, one minor was approved for release on
19 August 20, 2020 and three minors were released between August 18, 2020 and August 21, 2020.
20 Currently, there are seven minors who are engaged in the family reunification process, but it is not
21 complete. The remaining minors are Category 4, with 14 of these minors placed in Long Term Foster
22 Care (LTFC). The Juvenile Coordinator did not identify any cases from the reporting period where an
23 MPP removal order was a sole basis for minor’s non-release.”); *Id.*, ECF No. 996-2, at p. 9 (“As of
24 September 30, 2020, there were 38 minors identified by ORR as MPP cases. Currently, there are 19

1 minors who are engaged in the family reunification process, but it is not complete. The remaining
2 minors are Category 4, with 14 of these minors placed in Long Term Foster Care (LTFC). The Juvenile
3 Coordinator did not identify any cases from the reporting period where an MPP removal order was a
4 sole basis for a minor’s non-release.”¹

5
6 9. As of May 17, 2021, there were 19 UC in ORR custody who were identified as
7 previously enrolled in MPP. One of those minors was released by the time this declaration was written.
8 Currently, there are five minors who are engaged in the family reunification process, but it is not
9 complete. The remaining minors do not have sponsors at this time, with two of them residing in ORR
10 shelters and 11 residing in Long Term Foster Care (LTFC).
